✓ This amending Ordinance gives retrospective effect to the provisions of section 3 of the principal Ordinance regarding exemption from taxes imposed by local bodies

It is for consideration whether similar amendment may be effected in the Mysore Act LVI of 1943 and whether the same may be issued under Section 30 of the Government of Mysore Act

A draft of an amending Act is also put up

The Administrative Section has to decide whether the proposed in the amending Bill, retrospective effect should be given to the provisions of the original Act.

On the original Act, a small printing error has crept in viz. that the last provision in the Act instead of being numbered as Section 4, has been numbered as Sub Section 4 of Section 3. Advantage may be taken of this opportunity for correcting this mistake
